# Cyber GRC Assessment for Non-Profits **Pro Bono / Reduced-Fee Offering**

AlignedGRC offers a limited number of pro bono or reduced-fee Cyber GRC Assessments for qualifying non-profit and mission-driven organizations. The goal is to support responsible stewardship, fiduciary oversight, and protection of donor and beneficiary data.

### What this supports (grant-friendly framing)

- Board and executive **fiduciary duty** for cyber risk oversight
- **Stewardship** of donor, grant, and beneficiary data
- **Risk-informed governance** without enterprise security overhead
- Grantor and donor confidence in controls and evidence

### What's included

- Focused Cyber GRC Assessment (governance, controls, evidence)
- Board-ready executive summary and risk narrative
- Prioritized, budget-aware remediation roadmap
- Clear next steps aligned to mission and capacity

### Eligibility considerations

This offer is intended for registered non-profits and mission-driven organizations with limited cybersecurity resources. Availability is limited and scheduled quarterly.
